

Simply Homeschool Pathways Planner

A simple guide to planning your homeschool journey.

Name: _____

My Pathway

1 Essentials

2 Explore

Recommended:

- Primary Years: 1 Explore Core
- Secondary Years: 2 Explore Cores

3 Engage

Recommended:

- Primary Years: 1 Engage Core
- Secondary Years: 1 Engage Core

Remember: Pathways are a guide, not a checklist. Feel free to swap Core Programs, follow interests and make learning your own.

- Tip: If you're feeling overwhelmed, start by adding your Essentials first. You can always add your Explore and Engage Core Programs later.

The Pathways are a guide and a starting point. Leave room for family read-alouds, great books, hobbies, projects, excursions, community activities, family learning and the interests that make your homeschool journey unique.
