

2021 Youth Leadership

FREE
Online 8 Week Course
2 & 3 Terms 2021
Open to all Australian & NZ students

About Take 3

Take 3 are Australian leaders in removing plastic pollution and waste from the environment. Take 3's message is simple: Take 3 pieces of rubbish with you when you leave the beach, waterway or... anywhere. Through education that inspires participation, Take 3 are making tangible improvements to the health of our planet.

Plastic does not belong in the ocean yet 8 million tonnes of plastic enters the ocean every year. Plastic poses serious health threats to marine life through ingestion and entanglement. The Take 3 movement reduces plastic pollution by 10 million pieces every year.

Youth Leadership Program

The Take 3 Youth Leadership program is a free program for students (ages 12-16) in Australia and New Zealand. It utilises the expertise of teaching professionals and Take 3 educators to expand on the new Take 3's online learning program materials.

Working with motivated students, the youth leadership program is an 8 week online course. Students develop their skills through access to program mentors via webinars and workshops.

Within the program, students conduct waste audits and develop waste-reduction action plans that they take back to their schools and communities, putting into practice their new-found knowledge on project delivery and leadership.

Youth Leadership Outcomes

- Increase students' awareness of ocean conservation, global plastic pollution, sustainability and United Nations Sustainable Development Goals
- Increase students' self awareness, self appreciation and determination
- Improve confidence in leadership including self expression, persuasion, active listening and articulating personal opinions in complex discussions
- Positive behavioural change, leading to a shift in mindset and personal wellbeing, allowing students to make informed choices and decisions
- Community and school engagement through action plans
- Development of teamwork and collaboration skills
